ORDER APPROVING MODIFICATIONS TO THE INBOUND
COMPETITIVE MULTI-SERVICE IRA-USPS II AGREEMENT

(Issued September 29, 2022)

I. INTRODUCTION

The Postal Service seeks to modify the Competitive multi-product “Interconnect Remuneration Agreement USPS and Specified Postal Operators II” (IRA-USPS II Agreement).¹ For the reasons discussed below, the Commission approves the proposed modifications.

¹ Notice of United States Postal Service of Filing Modifications to Functionally Equivalent Inbound Competitive Multi-Service Agreement with Foreign Postal Operators, September 14, 2022 (September 14 Notice).

II. BACKGROUND

On December 23, 2021, the Commission approved the inclusion of the IRA-USPS II Agreement in the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product as well as the initial inbound rates proposed by the Postal Service.² Pursuant to the IRA-USPS II Agreement, any party to the IRA-USPS II Agreement can change its delivery rates by communicating the new rates to the International Postal Corporation by July 15 of the year preceding the rates' application.³

On June 3, 2022, the Postal Service filed notice of modifications to certain inbound rates under the IRA-USPS II Agreement with the modified rates intended to take effect on January 1, 2023. June 3 Notice at 1-2. On June 28, 2022, the Commission approved the proposed modifications to the inbound rates, finding that the modified rates were consistent with 39 U.S.C. § 3633(a).⁴

On September 14, 2022, the Postal Service filed the September 14 Notice. The Postal Service explains that in accordance with the IRA-USPS II Agreement's term that any party to the agreement can change its delivery rates for the upcoming calendar year by communicating the new rates to the International Postal Corporation, the Postal Service and other parties submitted new rates to the International Postal Corporation, which have since been circulated to the relevant parties. September 14 Notice at 1-2. The Postal Service represents that the modified rates are reflected in the non-public materials filed under seal. *Id.* at 2-4. In addition, the Postal Service notes that one party modified its quality of service standards consistent with the IRA-USPS II Agreement's terms and that the modified service standards are also reflected in the

² Order Approving Additional Inbound Competitive Multi-Service Agreement with Foreign Postal Operators, December 23, 2021, at 2, 5-7 (Order No. 6074).

³ Order No. 6074 at 2-3; Notice of the United States Postal Service of Filing Modifications to Rates Under Inbound Competitive Multi-Service IRA-USPS II Agreement with Materials Filed Under Seal, June 3, 2022, at 1-2 (June 3 Notice); September 14 Notice at 1-2.

⁴ Order Approving Modifications to Rates Under the Inbound Competitive Multi-Service IRA-USPS II Agreement, June 28, 2022, at 3-4 (Order No. 6210).

non-public materials filed under seal. *Id.* The effective date of all modifications is January 1, 2023. *Id.* at 2.

On September 19, 2022, a Chairman's Information Request (CHIR) was issued, to which the Postal Service responded on September 26, 2022.⁵

III. COMMISSION ANALYSIS

The Commission has reviewed the September 14 Notice, the accompanying materials filed under seal, and the Response to CHIR No. 3. The Commission reviews Competitive product prices to ensure that each product covers its attributable costs, does not cause Market Dominant products to subsidize Competitive products, and contributes to the Postal Service's institutional costs. 39 U.S.C. § 3633(a); 39 C.F.R. § 3035.107. As long as the revenue generated by the product exceeds its attributable costs, the product is unlikely to reduce the contribution of Competitive products as a whole or to adversely affect the ability of Competitive products as a whole to contribute an appropriate share of institutional costs. In other words, if a product covers its attributable costs, it is likely to comply with 39 U.S.C. § 3633(a).

The modifications do not alter the Postal Service's inbound rates previously approved in Order No. 6210, and the other parties' modified rates and quality of service standards do not affect the product's compliance with 39 U.S.C. § 3633(a). See September 14 Notice at 2-4. Thus, the modifications do not materially affect the underlying financial analysis of the previously approved rates. Therefore, the Commission finds that the IRA-USPS II Agreement, as modified, comports with the provisions applicable to rates for Competitive products in 39 U.S.C. § 3633(a) and 39 C.F.R. § 3035.107. In conclusion, the Commission approves the IRA-USPS II Agreement, as modified.

⁵ Chairman's Information Request No. 3, September 19, 2022; Response of the United States Postal Service to Question 1 of Chairman's Information Request No. 3, September 26, 2022 (Response to CHIR No. 3).

IV. ORDERING PARAGRAPHS

It is ordered:

The Commission approves the Interconnect Remuneration Agreement United States Postal Service and Specified Postal Operators II, as modified.

By the Commission.
